DETAILED ACTION

Allowable Subject Matter

1. Claims 1-11 are allowed.
2. The following is an examiner's statement of reasons for allowance: The prior art cited and the additional search of the prior art failed to overcome individually and/or in combination the limitations cited in claims **1, 9 and 10**. The novel aspects of the invention was the first memory which stores the template sentence containing a series of words and word fields and second memory which stores the word sets containing word units. The generation of a template sentence and its corresponding word sets and associated word fields. The confirmations means wherein the user selection is confirmed to allow user further interface processing.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
